Authors Agreement Form

Date:
Manuscript title:
Article type (Research Paper/ Review Paper/ Others):
Corresponding author name:
Address:
E-mail:
Contact number:

The author(s) of this manuscript declare their agreement with the statements and contents of this form, by signing it. This form should be filled and signed by all authors, and then scanned and emailed by corresponding author to the journal office (jhehp@zums.ac.ir or jhehpinfo@gmail.com).

Authorship:

Individuals claiming authorship should meet all of the conditions in accordance with the "International Committee of Medical Journal Editors" (available at: <http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>). The authors state that they have carefully read the "Ethical Consideration → Author Contributions" on journal website and they type the role and contribution of each author next to his/her name at the end of this form.

Ethical Requirements:

The authors declare that ethical considerations in accordance with the Ethical Principles for Medical Research Involving Human Subjects (WMA Declaration of Helsinki, revised in 2013: <https://www.wma.net/policies-post/wma-declaration-of-helsinki-ethical-principles-for-medical-research-involving-human-subjects/>) have been addressed in the "Materials and methods" section, if necessary. Also, the study has been approved by the relevant ethics committee/ institution review boards of the respective institutions. Evidence for approval by a local ethics committee (for both human as well as animal studies) is supplied by the authors on demand.

Scientific publishing:

The authors declare that the submission of this paper in *Journal of Human Environment and Health Promotion* is approved by all authors and manuscript has not been previously published or submitted for publication elsewhere neither in English nor in any other language. It is the responsibility of the authors/contributors to obtain permissions for reproducing any copyrighted material. The originality of work is approved by authors as well and it is not under consideration in any other journal.

Plagiarism:

JHEHP is a participant of Crossref Similarity Check powered by iThenticate. Results returned by the software may be used as a criterion for the analysis of the manuscript by the editorial board and may eventually result in a rejection due to plagiarism, duplicate and/or redundant publication. The authors state that in the event of plagiarism, scientific misconduct or fraud, the journal has the right to follow the recommendations of the Committee on Publication Ethics/COPE (<http://publicationethics.org/>) and International Committee of Medical Journal Editors/ICMJE (<http://www.icmje.org/>) and report the allegations to the author's institution or any other agency.

Conflict of Interest:

Conflicts of interest are declared obviously in the manuscript. Authors also state separately that they have all read the manuscript and have no conflict of interest, by signing this form. Otherwise, submitting a manuscript must be accompanied with a statement from the authors disclosing all financial and personnel relationship that might bias their work. Besides, they are requested to evident whether impending conflicts do or do not exist. If there are further details, could be mentioned in covering letter.
